

November 13, 2017

Hello Lee Families,

Hope you have had a great long weekend with your children! This was a great weekend to find some extra time to hang out and play games, take a walk in between rain showers, read a good book together and talk about how conferences went. It is so important to take a moment to celebrate your child's accomplishments and talk about how your student is going to be successful with the goals set for the rest of the school year. Thank you for coming to conferences and partnering with us and your child to realize their future goals!

Take care,

Cherie

A couple things...

**Big Kahuna Orders** will be delivered tomorrow, Monday! Small orders will be sent home with students. If your child has a large order, **you will need to pick up the order tomorrow at school by 5:30.**

**A BIG THANK YOU** to PTO and all of the families who contributed to dinner on Wednesday evening for all of the teachers during conference week. It is very thoughtful and very much appreciated!
