

November 20, 2017

Hello Lee Families,

Hope your weekend was great!

We are going to stuff all sorts of learning into Monday and Tuesday, and then your kiddo's will be with you for the rest of the week where they will be able to spend family time with you thinking about all the things they are thankful for!

We are thankful for all of our Lee Students and Families!

Have a great Thanksgiving,  
Lee Staff and Cherie

Things to Remember:

Make sure your child is reading at least 30 minutes **EVERYNIGHT!**

Things To Do:

When dropping off/picking up students, please:

1. Pull as far up into the striped area as possible,
2. Pay attentions to the children and cars around you,
3. SLOW DOWN! We are having cars drive very quickly after dropping students off.

**This will help keep all of our students safe!**

Something to Learn:

This website has some great ideas that are free or very inexpensive and will keep your children busy over the school breaks coming up!

Enjoy... <https://handsonaswegrow.com/fun-things-over-winter-break-kids/>
